

Adams Update April 9, 2021

Elementary Classes Continue as Scheduled

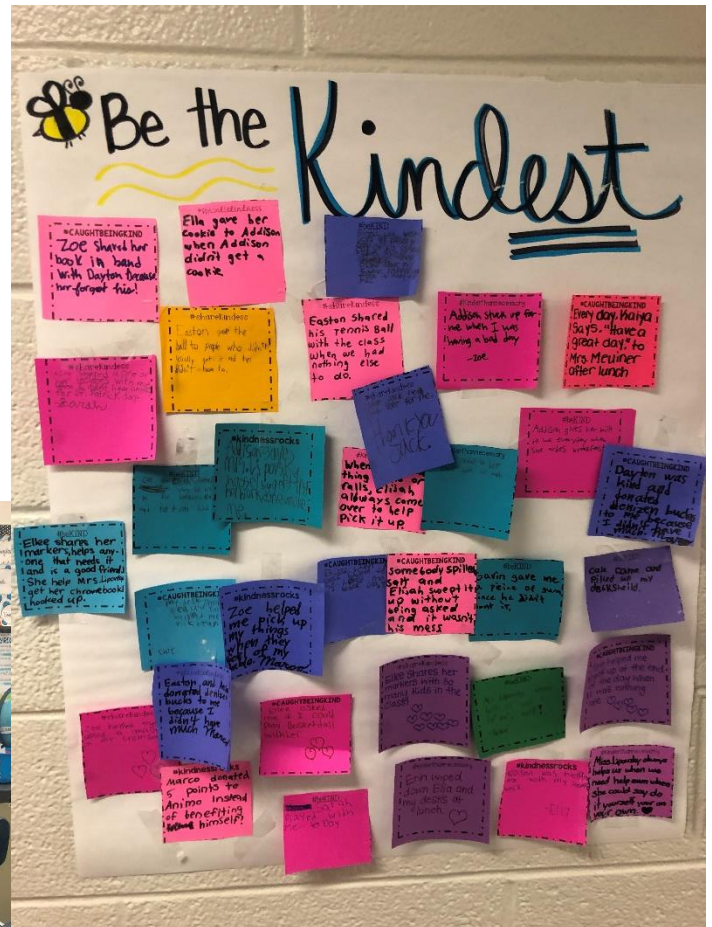

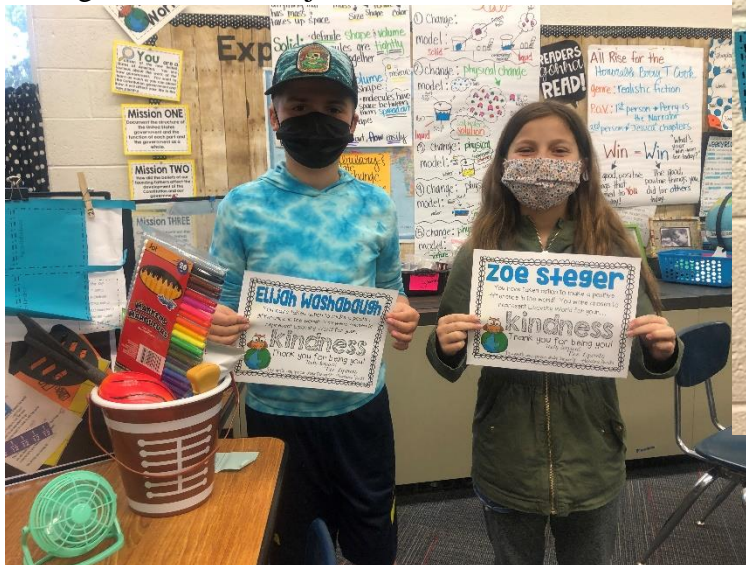

As we all know, the Covid-19 pandemic numbers look worse in the state of Michigan, and locally, than they have in some time. As we've seen this school year, things sometimes change, but as of right now **we anticipate that our elementary face-to-face classes will stay face-to-face for the time being.** Any announcements about a transition to virtual learning will come from our superintendent, via the normal communication channels. You can always find those type of announcements, like today's message about our middle and high schools, on our district website: www.midlandps.org.

Safety Rules and Protocols

We continue to follow all of our Covid-19 safety rules and protocols here at school, and are being even more vigilant than ever following those procedures—we all want to keep your children safe, and in school. Please help us do this by also taking reasonable safety measures for your family, so that we can remain face-to-face as much as possible. Thank you!

Kindness Challenge, Mrs. Lipovsky's Class

For the month of March, Mrs. Lipovsky's class set a goal, and then turned it into a challenge. Their challenge was not only to be kind, but **KINDER THAN NECESSARY**. Students documented and collected notes sharing acts of kindness they observed from their fellow students. Mrs. Lipovsky is proud to announce the winners of the challenge. These students were super kind and encouraging throughout the challenge; there is no doubt they've also been kindness leaders all year long. Congratulations to Elijah and Zoe!

Kindergarten Enrollment!

Please share this information with friends and neighbors with incoming kindergarteners!

Kindergarten registration is underway! Information about our kindergarten program is at this link:

<https://www.midlandps.org/welcome-to-Kindergarten-2021-2022>

Enrollment paperwork is available in the Adams office, as well as at the following link:

<https://www.midlandps.org/docs/district/202122Enrollment/2021-2022KindergartenPre-EnrollmentPacket.pdf>

You will hear more about opportunities to tour the school and meet the teachers as spring approaches.

Adams Read-A-Thon Update

Before Spring Break the Adams PTO, in partnership with our teachers, sponsored our annual *Read-A-Thon*. What a great event! It was a wonderful way to raise money for our classrooms and highlight a fun, powerful activity—reading. All told, we raised over \$4,500 for the PTO to use to support our classrooms. Great job, everyone!

Reminder: Adams is a Pet-Free Zone

Given the warmer weather, it seems like a good time to remind everyone that Adams is a pet-free zone. We've seen a few of our furry friends joining families to pick up students at the end of the school day. While we loved our four-legged friends here at Adams, we keep the property free of pets, especially during the busy-ness of the pick-up and drop-off times. Thank you for respecting that, and for helping everyone stay calm and safe!

Upcoming Events

Monday, April 12, 6:30 p.m.

PTO Meeting

We had a great week here at Adams, and we look forward to seeing you and your students again next week. Have a good weekend!

Educationally yours,

Scott Cochran

Principal
