"Life's most persistent and urgent question is, 'What are you doing for others?'" -MLK, Jr.

PROGRAMME news

Today more than ever there is a need for advocacy and service within the many facets of our community. We wanted to take a moment to describe the importance of action within the PYP framework.

The action component of the PYP involves service in the widest sense of the word. Student action may be taken by an individual student or by groups of students working collaboratively. It does not need to be big or elaborate. Service can begin at the most basic level: with the student, within the family, within the classroom, the hallways, and the playground. Action is a great way for students to show commitment to the attributes of the Learner Profile.

Here are some opportunities to take action in Midland County...

United Way	Midland County Habitat for Humanity	Senior Services of Midland County
Shelterhouse	Midland County Humane Society	West Midland Family Center
Open Door	School PTO	Helping Your Neighbors
Recycling Center	Midland County Emergency Food Pantry	Salvation Army
