

Adams Update May 6, 2022

Teacher Appreciation Week—Thank You to Our Wonderful Teachers and Staff

We are incredibly blessed here at Adams Elementary with a very talented, caring, and hard-working team of teachers and staff. I am reminded of that every day, as I observe their interactions with our students and each other. Thank you to our teachers and staff, for all that you do, and for the care with which you approach our young people every day. Thank you!

M-STEP Calendar: 4th and 5th Grades

Our 5th graders “M-stepped” right on through the English M-STEP testing this week, and they are now half-way there, having completed Science and English. Next week will be Math and Social Studies tests, and then they will be done. Good job, 5th grade, keep up the good work!

Next week is also the M-STEP grand finale for our 4th graders, as they will take the English assessment on Tuesday, and the Math test on Thursday. Make-ups will follow for absent students from those days, but other than that, all our students will be done with the M-STEP on Thursday.

Library Books Due Next Friday, May 13

Friday, May 13 is not an unlucky day here at Adams Elementary, but it is the day that your library books are due! Please round up all of those library books and return them to Adams by the end of the day Friday, May 13. Thank you.

PTO Update

Thank you to the PTO for your work in recognizing our teachers and staff this week. The extra treats and recognition, daily through this week, created lots of smiles and lifted our hearts. Teacher Appreciation Week was a rousing success! There is much more in this week's PTO newsletter, including info about the upcoming Loons game, the Walk-a-Thon, and more. Check it out!

[Adams Atoms Newsletter May 6](#)
