

Adams Update November 8, 2019

Winter Weather = Bundle Up!

Our playground was covered with the first snowfall of the fall this week, so this is a good time to remind everyone that we plan to go outside for recess every day, weather permitting. With that in mind, please send your children to school with boots, hats, mittens, winter coats and snow pants every day. Thank you!

Kindness Week right around the corner

November 11-15, next week, is *Kindness Week* here at Adams, led by our Student Leadership Team, including student leaders, and teachers Mrs. Capua, Mrs. Dulude, and Mr. Seebeck. When your students come home next week, be sure to ask them about activities and conversations they had at school that day about *Kindness Week*.

Construction Update

Our construction partners made a lot of progress in the addition this week! The painting is almost done, fixtures were added in the bathrooms, the kitchen equipment was installed, and the flooring is starting to go down. Every day it looks more and more like the final product—exciting!

Parent-Teacher Conferences

We had an excellent turn-out for the Parent-Teacher Conferences yesterday, and it was great to see the students and families in the school all day. We all know that education is a partnership between the child, the family, and the school, and we all need to work together to help everyone reach their potential. The communication that happens during conferences is critical to your student's success. If life got in the way and you were unable to attend, please reach out to your student's teacher and set up a different time to meet and talk. Thank you!

Super Thanks for the “Soup-er Supper!”

A great shout-out and a hearty “Thank you!” to the PTO for the *Soup-er Supper* that was prepared for teachers during conferences. It can be a long day for teachers, and the food, along with the caring message that it sends, helps energize and make the day a good one for all—so thank you!

Book Fair

Adams Atoms, what a great book fair this week! The love of reading is a gift that keeps giving, helping students achieve more success in school, and to be more engaged in life. Events like the Book Fair, and the engaging, interesting, well-written books it helps provide for our young people, encourage this love. Thanks to all of the volunteers that worked during the week, thank you for purchasing books, and thank you to our students, for wanting to read!

Upcoming Events

Mon, Nov 11

Nov 11 – 15

Sat, Nov 23

Wed, Nov 27

Nov 27 – Dec 1

Veteran’s Day recognition

Kindness Week
