

Adams Update December 11, 2020

F2F Students Return to School!

It was great to see our F2F students returning to school this week. Everything happened very quickly, but our teachers did a wonderful job preparing for the return to F2F, and your children seemed to adjust well. We look forward to next week, a full week together. VA classes didn't have any changes, and it was great to see your VA students when I visited those classes throughout the week.

Update for VA Students Who Chose F2F for Second Semester

This update is for families who have VA students and chose to return to face-to-face instruction for the second semester. Those students will begin F2F here at Adams on **Monday, January 4**, after Winter Break. This is a few weeks prior to the start of second semester, but post-break is a good time to transition. Your child's new classroom assignment will be released via email next Friday, December 18.

VA Class Assignment Updates

Five MPS Virtual Academy teachers will be reassigned to F2F classrooms beginning January 4; those teachers are Mrs. Harrison, Mr. Fair, Ms. Loker, Mrs. Lanphierd, and Mrs. French. This transition will help our schools accommodate the VA students returning to F2F instruction. All other VA teachers are remaining in the VA.

The movement of teachers from the VA to F2F instruction is also requiring the movement of some VA students to other VA classrooms. If your student will have a new VA teacher starting January 4, you will receive an email with the new classroom assignment next Friday, December 18.

PTO Update

[Click here for today's PTO Update.](#) It includes information about winter Spirit Wear (order now, receive in time for the holidays!), and Scrip gift cards. The scrip cards will allow you to shop as you normally do, but also raise money for our classrooms at the same time, a true win-win! Thanks to the PTO for all you continue to do, supporting our classrooms.

Upcoming Events

Tu, Dec 22

Last day of school prior to Winter Break

Dec 23 – Jan 3

Winter Break

Mon, Jan 4

First day of school after Winter Break

We had a great week here at Adams, and we look forward to seeing you and your students again next week. Have a good weekend!

Educationally yours,

Scott Cochran

Principal
