

Adams Update December 20, 2019

Joyous Kindergarten Program!

The Kindergarten Holiday Program took place Tuesday evening, in front of a packed house in the Adams Gym. Family and friends were delighted as our youngest students sang songs from all over the world and explored holiday traditions from Germany, France, China, Mexico, and the U.S. Thank you to the teachers, students, and family members that made the evening a rousing success!

Adams City Warriors Compete at State Finals

The *Adams City Warriors* concluded their successful season last weekend with a fine performance at the State Finals at Bloomfield Hills High School. Highlights included a dramatic increase in their robot's score from the regional to the state competition, and very positive reviews for their project. The project involved researching and proposing carbon-negative alternatives to concrete for cities. Congratulations and great job *Adams City Warriors*!

Adams Declared a *Distinguished PLTW School*!

Adams Elementary was declared a *Distinguished PLTW* school. We received this honor as a result of the STEM studies that we have integrated into our Science curriculum for every grade level here at Adams. We look forward to seeing continued student growth as they enjoy their STEM studies, experiments, and processes.

Construction Update

The addition—our new gym, cafeteria, and stage/platform—is not ready for occupancy at this time, but we are still being told that we will be in the space beginning January 6. Stay tuned for more information in the new year!

PTO Update:

Thank you for making our SCRIP gift card sales a success!! The PTO made \$400 to help with classroom needs. Look for another SCRIP sale in the spring!

Our next PTO meeting is scheduled for January 6th at 6:00pm in the Art Room. We'll start to talk about open committee spots, board positions and fundraising for the 2020/21 school year.

Save the Date for COSI on Wheels! This interactive, hands on assembly is coming February 18th! We'll need several volunteers to make this event a success. More to come after the holiday break.

Room Number Changes

As previously announced, over break we will officially be changing the room numbers here at Adams. New state rules requiring all rooms, closets, and other spaces to be numbered in the same sequence led to the changes; no classrooms are moving, but the room numbers will be different. A list of the new classroom numbers is provided at the end of this newsletter for your convenience.

Upcoming Events

Dec 21 – Jan 5

Winter Break

Mon, Jan 6

First day of school after Winter Break

Mon, Jan 6, 6pm

PTO Meeting, Art Room

Mon, Jan 20

No school for students (teacher PD day)

We had a great week here at Adams, and we look forward to seeing you and your students in the new year. Have a wonderful holiday break!

Educationally yours,

Scott Cochran

Principal
