

Adams Update June 1, 2018

Life is either a daring adventure or nothing at all.
- Helen Keller

This week was a fabulous week with the fourth grade "Michigan Rocks" performance as a major highlight!

Students at each Midland County School planted flowers provided by the Violence Prevention Partnership through the Midland Community Foundation in our joint focus on anti-violence. These flowers are a reminder to think before you act and that things you say affect others. "Be kind to everyone, including yourself," was the message to our students at all of our schools. Many thanks to Mrs. Holzheuer's second grade class for planting the flowers at Adams!

Crayola ColorCycle

Crayola and schools across North America are banding together to help kids understand the importance of their role in protecting the environment. That's why we launched **Crayola ColorCycle**. Through this initiative, students in K-12 schools across the continental United States and parts of Canada can collect and repurpose used markers.

We'll have a collection box in the front lobby for any used or old markers. Crayola collects them free of charge and recycles them! Any questions, please let Kim Baczewski know.

Please note our upcoming fundraisers:

Yogurt Yeti - Monday, June 4

Five Below - Friday, June 1-8

Please see the attached flyers for more details on these events! ☺

Have a great weekend!
